

KIA ORA GREETINGS

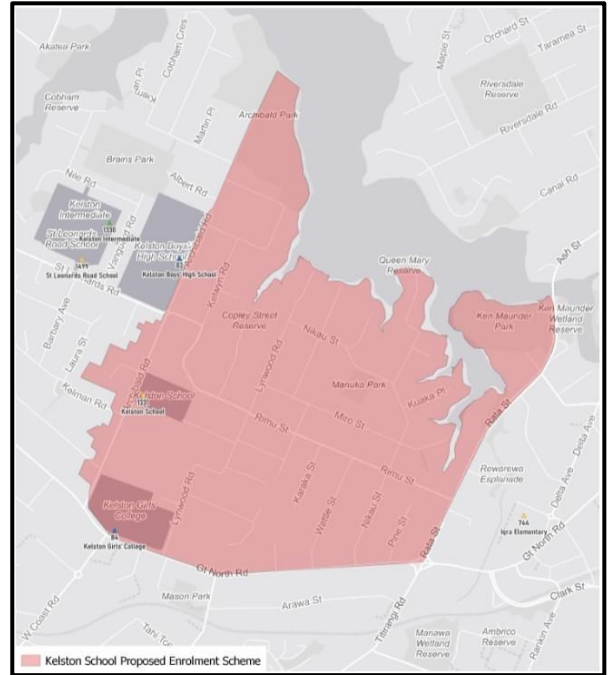

From the Desk of the Principal

The first term is drawing to a close. It has been a challenging start to the year but the last fortnight has seen many students return to school.

We are hoping we can operate closer to normal in term 2 and undertake more activities.

Enrolment Zone for Kelston Primary

The Ministry of Education has identified Kelston an area of future roll growth and will be implementing a zone for Kelston Primary from the beginning of term 3 this year. This will have no impact on children currently attending our school regardless of whether they are in zone or not. We may also still be able to take out of zone students depending on the size of the roll but priority will be given to those living in zone.

All information and the chance for you to provide feedback is outlined on our Web-site and Facebook page.

New Enrolments

I would like to welcome the new students who have joined us this year. Also a special welcome to our 5 year olds who are beginning their school life. Please remember if you have a child turning 5 shortly you are most welcome to arrange a series of visits so that your child will feel more comfortable on their first day. Please contact Miss Gardner or the office to arrange visits.

End of term

School will close at 3pm on Thursday 14 April and open for term 2 on Monday 2 May.

From the Desk of Steven Pickett:

Inter-school Sport - Starting in Term 2!

With there now being no limit on the number of people that can attend outdoor gatherings we are able to start our inter-school sport programme in term 2. This programme is for Year 5 & 6 students with some sports allowing Year 3 & 4's as well. First

up in week 3 we are having the inter-school cross country at Konini Primary School, followed by rugby league in week 4, rippa rugby in week 6 and finishing the term with tackle rugby in week 8. More information and the exact dates will be confirmed via notices that those students attending will receive next term. **We need coaches to help with rugby league, rippa rugby and tackle rugby for both boys and girls.** If you are able to help out please contact me as soon as possible

spickett@kelstonprimary.school.nz or call the office 09 827 2187. How many teams we are able to send to tournaments

depends on how many coaches/helpers we get. We hope to send lots of teams, so your help is greatly appreciated! :)
